

Web Design Links

https://en.wikipedia.org/wiki/Whale_shark

This website was used for images and text copy throughout the design.

<https://unsplash.com/>

This site was used for photos found within the design.

https://www.worldwildlife.org/media?species_id=whale-shark

This site was used for text copy throughout the site.

<https://nekocalc.com/px-to-rem-converter>

This site was used for converting to responsive design units.

<https://www.w3docs.com/snippets/css/how-to-break-line-without-using-br-tag-in-css.html>

This site was used for spacing issues I was having when designing.

https://www.w3schools.com/cssref/pr_text_text-decoration.asp

This site was used for research regarding different kinds of text decoration for links and other design choices.

https://www.w3schools.com/howto/howto_css_equal_height.asp

This site was used in order to figure out how to make images or text boxes equal height within a page.

<https://www.nationalgeographic.com/animals/fish/facts/whale-shark>

This site was used for research regarding text copy and images for the site.
